

Wildheart Adventure Camp

Items to Bring-2017

Campers must bring the following items and **have each item marked with initials with permanent marker. Bring ONLY these items.** Any excess or unnecessary items will be sent home with parent. Because he will do laundry each weekend only one week of clothes is needed.

Please pack everything into a maximum of (2) large duffle bags or suitcases. The exception is that the sleeping bag and backpack can be separate.

Once the camper arrives at Wildheart, we will assign additional personal gear to each guy for the remainder of camp. Wildheart will provide all backpacking gear that the camper does not already have. The camp will also provide a “cantina” for snacks, so campers can bring spending money to purchase these extra snacks.**

Experience has taught us that we just have to say this: Some specific examples of clothing that are not allowed at Wildheart (again, it’s not that people who wear such are wicked, evil and therefore terrible people; we just set as clear a line as we can in a very broad area): clothing that is vividly marked with logos of companies that have taken a stand on issues in a decidedly anti-Christian way (i.e. Hollister, Abercrombie and Fitch, Tommy Hilfiger, alcohol beverage companies, Tapout, Zoo York, etc.) Unacceptable attire would include attire that either looks sloppy, dirty, or identifying with a specific subculture or group that is anti-Christian in what it promotes. Examples would be ragged, ripped, baggy, gothic, or grunge style clothing, flat-brimmed hats or beanies, studded belts, skinny jeans, etc.
